## Castellana

VIDEO

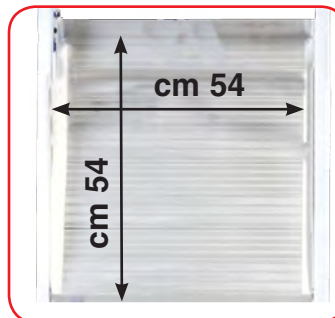

Warehouse stepladder with platform, 100 cm guardrail and handrails. Suitable for professional use. In extruded ribbed aluminum, it is built by welding the steps for an ultra-resistant monolith. The new patented fast clamping closing bars allow it to be closed for transport and storage without acting on any mechanism. Ideal for storage shelves, special machinery, airports, gyms and cemeteries.

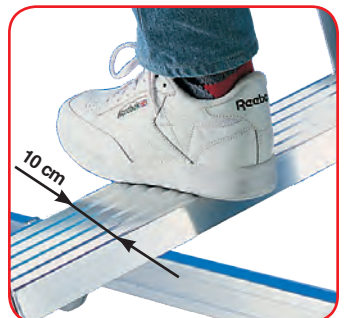

Foldable handles

Wheels Ø mm 125

Reinforced aluminum platform with large work space for legs and feet.

Large steps mm 100

Optional: Closable stabilizer (overall dimensions closed 100 cm)

Tools platform

| n.  | m    | m    | m    | m         | Kg   | mm  |
|-----|------|------|------|-----------|------|-----|
| 4   | 1,07 | 2,07 | 3,07 | 1,01x1,32 | 27,0 | 180 |
| 5   | 1,32 | 2,32 | 3,32 | 1,01x1,47 | 29,0 | 250 |
| 6   | 1,60 | 2,60 | 3,60 | 1,01x1,60 | 31,0 | 310 |
| 7   | 1,87 | 2,87 | 3,87 | 1,17x1,76 | 33,0 | 375 |
| 8   | 2,15 | 3,15 | 4,15 | 1,17x1,92 | 35,0 | 440 |
| 9   | 2,37 | 3,37 | 4,37 | 1,17x2,06 | 37,0 | 500 |
| 10  | 2,65 | 3,65 | 4,65 | 1,17x2,20 | 39,0 | 570 |
| 11  | 2,90 | 3,90 | 4,90 | 1,33x2,37 | 41,0 | 635 |
| 12* | 3,16 | 4,16 | 5,16 | 1,33x2,50 | 44,0 | 700 |
| 13* | 3,47 | 4,47 | 5,47 | 1,50x2,65 | 46,0 | 760 |
| 14* | 3,75 | 4,75 | 5,75 | 1,50x2,80 | 48,0 | 830 |
| 15* | 3,90 | 4,90 | 5,90 | 1,50x2,95 | 50,0 | 890 |

Note: The platform is considered as a step. In all models the stabilizer is disassembled for transport reasons.

\* Higher models have stabilizer also on the back ramp (120 cm) and an additional reinforcement bar (assembled by the customer).

On demand: Castellana 4WD (with 4 spring selflocking wheels)

Note: Due to the spring wheels during the climb, descent and movement of the operator, the ladder can have a very slight tilting effect that does not preclude either good operation or safety
